

INFORMATION ON ACCOMMODATION for foreign students

How to apply for accommodation?

Electronically by **15th July 2024** at: www.ubytovanie.stuba.sk

Who is entitled to accommodation?

All newly enrolling first-year students who:

- have never studied at any faculty of The Slovak University of Technology,
- apply for accommodation in the first round by the above mentioned deadline,
- enrol between **2nd September 2024** and **9th September 2024**.

How to reserve a room?

Newly enrolling first-year students can only reserve a room after enrolment - they must have the ID number to AIS (Academic Information System) which will be given to them by the study department along with the enrolment confirmation.

Students can reserve a room in the accommodation system which will be open from **2nd September 2024** to **6th September 2024**. Reservations will be approved on a rolling basis so that students can be accommodated on the day of enrolment.

Login to the system

Until enrolment:

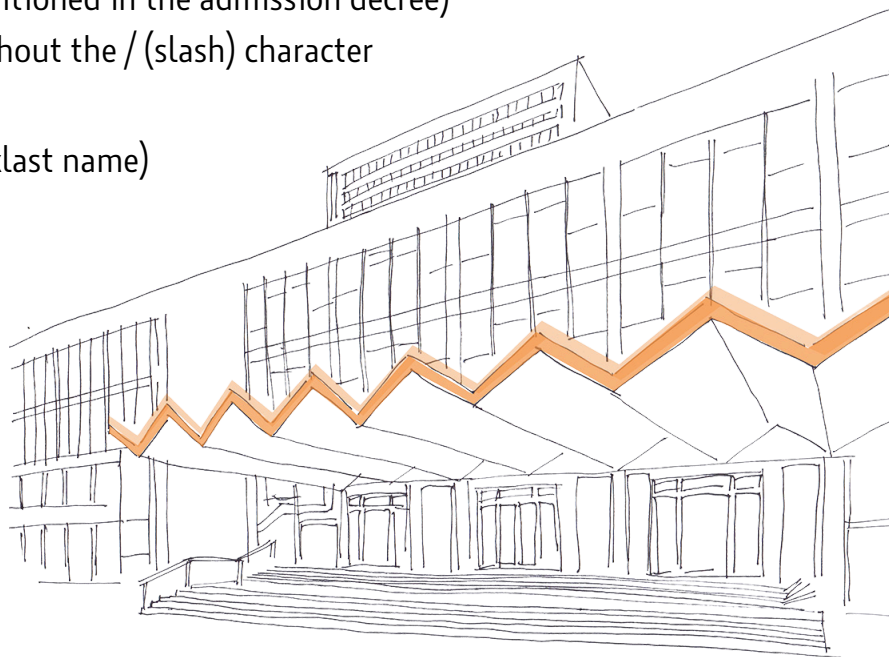

- login name: your application number (mentioned in the admission decree)
- password: your identification number, without the / (slash) character

After enrolment:

- login name: same as for AIS (most often xlast name)
- password: same as for AIS
